

**PARKINSON**  
ASSOCIATION OF CENTRAL FLORIDA

**Parkinson Association of Central Florida Steady Hand Grants** provide need-based, short-term financial assistance — up to \$500 — for Central Floridians with Parkinson’s Disease. Whether it is transportation costs, co-pay relief, doctor-recommended treatments or other care, Steady Hand Grants are designed to help fill financial gaps for Central Florida’s Parkinson’s community.

*(Attach documentation from the provider on costs.)*

If granted, the money will be paid directly to the medical facility, therapy center or other agency providing the care. All applicants will receive notification on their application within 45 days. Grant recipients are ineligible for an additional grant until 180 days have passed from the distribution of their most recent award.
